

SAM ROCKWELL

Sam Rockwell is in "Three Billboards Outside Ebbing, Missouri". Stephen Colbert shows Rockwell a series of old Burma-Shave billboards, which were old-time multiple billboards in a row that rhymed as they sold the product. They show a sample. Then they play a game where they show the first three Burma-Shave billboards, and Rockwell has to come up with a rhyme for the final line. First Rockwell does one set of billboards, then Colbert does the next, as they alternate back-and-forth. Colbert also mentions how Rockwell inadvertently said "fuck" on SNL a few weeks ago. So the final verse that Rockwell has to guess is this legit Burma-Shave one:

He saw the train
And tried to duck it
Kicked first the gas
